

# Parents' Association of the European School Munich

## FACT SHEET

---

### Membership

More than 1300 families have subscribed as members around 75% of which have at least one partner employed at the EPO.

### Finance & Support

Membership fee of 40,00€ p.a.; income from activities and support from the EPO by provision of infrastructure in terms of an office. There is no monetary payment from the EPO nor are there time allowances given.

### Structure

„Verein nach deutschem Recht mit anerkannter Gemeinnützigkeit“ having a board of about 20 members. Each member is elected in a general assembly. The mandate lasts for 2 years.

Eight staff members are employed by the Parents' Association of the European School Munich (PA-ESM) on part time basis to support the activities.

Overall responsibility: the first chairman at present Mr Georg Weber and the second chairman at present Mr Rupert Plenck, both are also employees of the EPO as are the majority of all board members.

### Tasks

#### 1. Representation

of the interests of the parents for school matters in various statutory bodies of the school including Interparents;

#### 2. Canteen and school catering

The PA-ESM has rented the canteen and cafeteria area from the school and subcontracted the service to a caterer (found after an open tender procedure). The volume of the business is around 600K€ p.a. All contractual and quality assurance issues are managed by the PA-ESM.

#### 3. Extra-curricular activities (“Nebenschulaktivitäten”)

Around 70 different courses with up to 25 participating pupils are organised per semester. This is an important factor of afternoon child care facility. In total 1135 children participate. Due to capacity and room problems still around 80 children are on a waiting list.

#### **4. “Hort and Nachmittagsbetreuung”**

At present about 190 children are hosted in the afternoon at the site of the school (for some 15 places could be found outside the school area). The whole activity is organised and managed by the PA-ESM by use of sub-contractors.

#### **5. Transport of children**

The PA-ESM organises the school bus transport in cooperation with the city of Munich (950 MVV + 508 BUS places). In addition a shuttle service from school to the EPO site is provided (103 children).
